

Concept + Innovations Range

Concept + Innovations Range

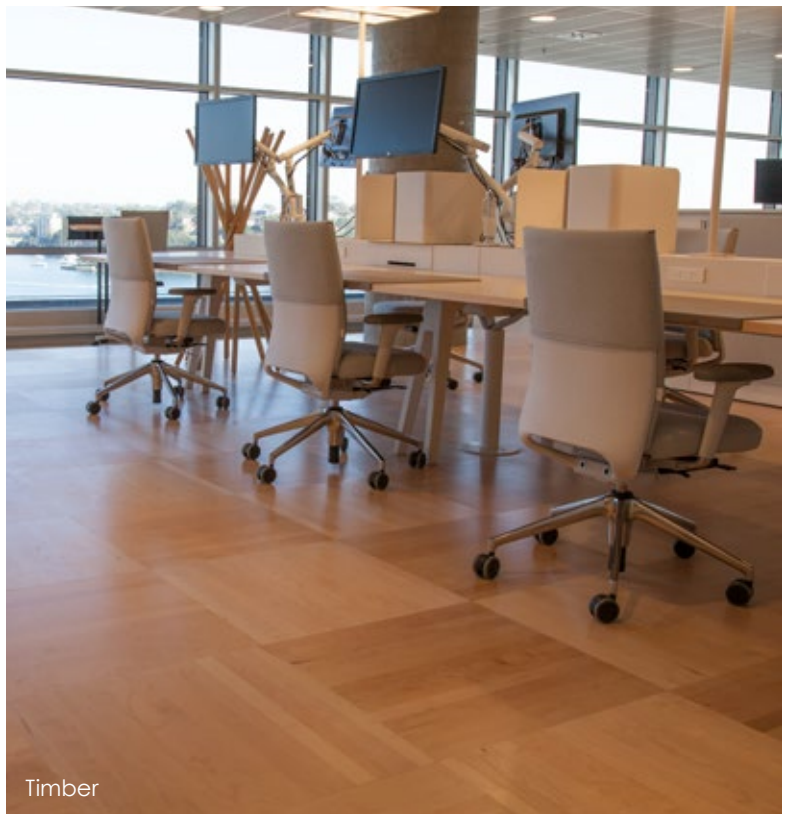

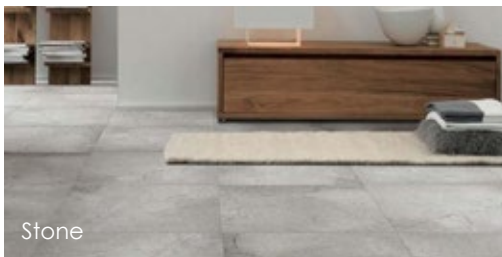

The Concept + Innovations Range offers you the freedom to choose the desired floor finish for your environment whilst maintaining accessibility to the services in your under floor space.

The Concept + Innovations Range is a fully customisable system offering you the flexibility to nominate a flooring product of your choice to be prefinished onto our load rated access floor Concept Panel.

Material Possibilities

The Concept + Innovations Range offers you the freedom to choose the desired floor finish for your environment whilst maintaining accessibility to the services in your under floor space.

The Concept + Innovations Range is a fully customisable system offering you the flexibility to nominate a flooring product of your choice to be prefinished onto our load rated access floor Concept Panel.
